Create a password for your student.
I recommend using ONE studio password
and asking parents not to reset it.

For new multiple siblings, select “Add/Edit a Family.”

Downloading the MP3s

How to Get MP3s Onto Your Device

Easiest Way!

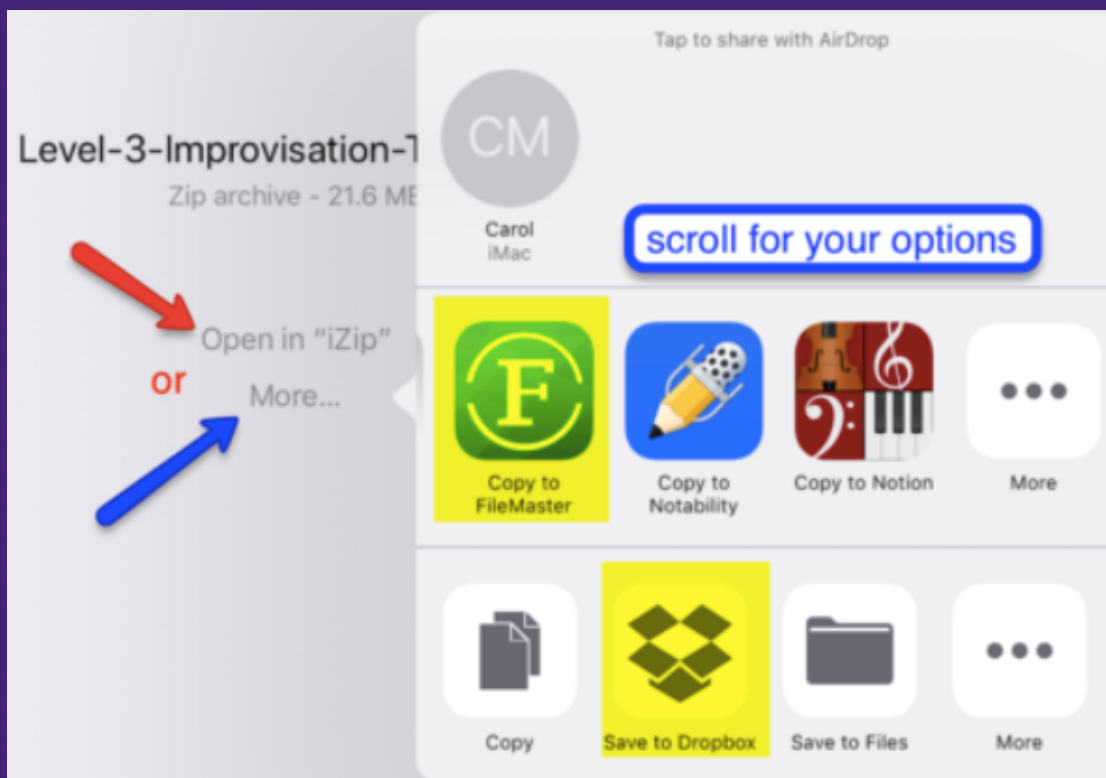

1. Download to a computer, import to iTunes®, then sync your device.

- Each mp3 album downloads as a .zip file. Double-click to unzip. Windows 10 users: right click and select Extract All.
- Drag the unzipped folder from your desktop right onto the iTunes® window. Or, choose File > Add to Library or Add Folder to Library, locate the file or folder, then click Open.
- Connect your device to the computer and sync, which copies the mp3s to your device's iTunes® Library.

Note: The only way mp3s can be added to iTunes® is by syncing your device.

2. Download directly to your device.

- Each mp3 album downloads as a .zip file. There are various apps that can unzip and play mp3s (for iPhone® / iPad® or Android), including: **iZip**, **FileMaster**, and **Dropbox**.
- When you click on an mp3 album, you will see this on your iPad®:
