

New to the Interactive Piano Method?

Here's a **Quick Start-Up Guide** to
get you up and running in no time!

All of the online activities and digital downloads carefully correspond to each unit in the Lesson Book.

The diagram illustrates the digital resources available for Unit 9. On the left, a snippet of musical notation is shown with a first ending bracket labeled '1' and '8va'. Below this, a box titled 'Do Unit 9 Online' contains a list of resources: 'Performance Pieces', 'Activity Sheet', and 'Technique Pages'. A red circle highlights the 'Activity Sheet' option, with a red arrow pointing from it to a collection of 'Supplemental PDFs' at the bottom. To the right, a section titled 'Online Activities' displays four interactive digital activity cards. These cards include various musical exercises, such as identifying dynamics (p, f, mf), matching notes to a piano keyboard, and other interactive games. Red arrows indicate the flow of information from the Unit 9 content to the online activities and supplemental PDFs.
